EDUCATION

•Gayatri Vidya Parishad College of Engineering for Women

2025

B.Tech - CSE(Artificial Intelligence and Machine Learning)

CGPA: 8.33

•BVC Institute of Technology & Science

2022

State Board of Technical Education and Training, Andhra Pradesh

Percentage: 86.7

•Z P High School

2019

Board of Secondary Education, Andhra Pradesh

CGPA: 9.8

EXPERIENCE

•Symbiosys Technologies

15th May 2024 to 15th June 2024

Web Developer Intern

Visakhapatnam

- Developed a responsive web application for creating and customizing employee payslips. Users can input payroll details like employee information, salary components, and deductions to generate formatted payslips.
- **Tools & Technologies used** : HTML, CSS, JavaScript

PERSONAL PROJECTS

–Face Mask Detection

May 2023

Face Mask Detection using Deep Learning model(MobileNetV2)

- * Developed a deep learning model using MobileNetV2 to accurately detect whether a person is wearing a mask. Implemented the solution with Python, utilizing key packages such as TensorFlow, Keras, Numpy, scikit-learn, imutils, and matplotlib. Focused on enhancing model accuracy and efficiency in real-time mask detection scenarios.
- * Technologies used are Python with packages (TensorFlow, Keras, Numpy, scikit-learn, imutils,matplotlib)

–Event Participation Manager

May 2024

Create a web platform for organizing and managing student certificates from various events

- * Designed and developed an online platform to efficiently gather, store, and categorize certificates for students participating in webinars, hackathons, and internships. The platform organizes certificates by domain, providing an accessible and user-friendly interface for managing and retrieving achievement records.
- * Technologies used are HTML, CSS, JavaScript & PHP

TECHNICAL SKILLS AND INTERESTS

Languages: Python, Java, Html, CSS, JavaScript, Node.js, TypeScript

Developer Tools: VS code, GitHub, Jupyter

Soft Skills: Adaptability, Communication, Integrity, Team Player

Coursework: Operating Systems, Database Management System

Areas of Interest: Data Structures and Algorithms, Data Science

Other Skills: Fundamentals of Cyber Security

ACHIEVEMENTS & CERTIFICATIONS

- Automation Anywhere Certified Essentials RPA Professional certification in 2023
- Received an NPTEL certificate in Cloud Computing
- Completed a certified JavaScript course through Infosys Spring Board.
- Attended a workshop for the PepSheCo Sales Star program offered by Internshala
- Successfully completed a virtual internship with EduSkills and received a certificate.
- Participated in the Google Cloud Arcade program and claimed all badges
